

## What kind of mobile phones can I recycle?

For **Autism New Zealand** to raise funds and to cover the cost of the rewards we *cannot accept* bulk amounts of low end old button phones and phones over 5 years old (some examples below)

### 1. Mobile phones with basic or non colour screens

### 2. Flip phones or slider mobiles

### 3. Mobile phones without batteries

### 4. Mobile phones not accepted

- Dummy mobile phones
- Badly damaged, scrap phones
- Fake mobile phones
- Landfill/Recycle centre phones
- Badly soiled and water damaged phones

#### T&C's

These old mobile phones cannot make up more than 10% of your total collection.

#### T&C's

All mobile phones are subject to grading and must meet minimum requirements before being accepted.

#### T&C's

Collections which do not meet minimum requirements may be re-valued to a lower phone count.

#### T&C's

Low end mobile phones values are taken in to the overall final count. There is a no return policy.
